RIVER MATTERS.

evening. Capt. Tom. Bowman is aboard this eraft with his usual efficient staff officers. The man at the wheel is reliable and knows every cottonwood on the The rain of Saturday continued well into the night and Sunday morning opened aold and blustering. The wind blew heavily during the whole day, but settled down in fittle towards night. The day was the most uppleasant one of, the winter. The levee was like that deserted a hanquet hail spoken of by Tom Moore. We had but one arrival and one departure. The latter was a Saturday packet which should have left the day before. Yesterday the weather was pleasanter, and lee had commenced running in the river. We look for it to be heavy to-day. The lavee is covered with freight waiting shipment both up and down.

At Cincinnati avaigation has ceased, which is also the case at Louisville. There are three heavy gorges in the Onio below Evansville, one at the chain, one at Hudson's A garge-has been made below St. Louis and beating in that direction is also opposed. At this point it is still falling.

Arrivals.

Steamer Dara, Vicksburg.

M. Hambietan, St. Fr. river. into the night and Sunday morning opened sold and blustering. The wind blew heavily during the whole day, but settled down a little towards night. The girl along their route, and one old lady day was the Thursin of Saturday continued well

Mr. McCullogh, her clerk, is every inch a gentleman; a careful one too, for he has the first item pertaining to house keeping already in his possession. The

Capt. Archer, her master, knows no such word as fail. She jumped four gorges coming down and will do it going back.
